Ogden Nature Center, 966 W. 12th St., Ogden  
**RSVP required by Dec. 5, at 5 pm / 801-621-7595**

Project Learning Tree is an award winning, multi-disciplinary environmental education curriculum program geared for non-formal and prek-8 educators. All participants will receive lunch, a PLT activity guide, USOE credit and materials to help implement these hands-on activities into the classroom. A range of activities which link Utah State Core Curriculum for Science, Math, Language Arts, Social Studies, Reading, Art, and Music will be demonstrated. Participants will also receive information and resources pertaining to Utah's local environments. Workshops are FREE for any prek-8th grade public school teachers.
