

NEIGHBORHOOD NATURE QUEST
 Take a few crayons and a pencil or pen and hit the neighborhood or park with your family!

<p>FIND A SEED.</p> 	<p>Find a tree with needles. What is living in it, on it, or under it?</p> 	 <p>Spot a bird with white on it. Where did you see it?</p>	 <p>Spot a bird nest. Where was it?</p>	<p>Find something that matches the color of your shirt. Write what it is here:</p>
<p>Find something as long as the biggest foot in your group. Write what it is here:</p>	<p>Find a rock or log and roll it over. What lives under there?</p> 	<p>Collect a yellow leaf.</p> 	 <p>Find some berries and smear them here.</p>	 <p>Collect nesting materials in your yard, along a trail, or in a park, build a nest. Can you make it big enough to stand in?</p>
 <p>Listen for a bird singing. Write one word to describe it:</p>	<p>Collect a leaf as big as your hand.</p> 	 <p>How many insects can you find?</p>	 <p>Spot a butterfly. Use a crayon to make marks of all the colors in it here.</p>	<p>Make a mud thumbprint and use a pen or crayon to make it look like a bug.</p>
